READY TO SEND A COMMITTEE TO MOOSE SESSION

Unless Objection Is Interposed
Commercial Club Will Urge
Albuquerque on Sanitarium
Committee at Denver.

The Commercial club committee on
the Moose sanitarium met last evening
and arranged to get in communication
with Supreme Dictator Barn of
San Francisco, regarding the
meeting in Denver on June 22, at
which it is expected that the
sanitarium committee of the order will
report on the site for the \$2,000,000
institution. It is desired to know not only those
now seeking the benefits of Albuquer-
que's climate but those who
came here originally for that purpose,
and for the benefit of relatives.
Names of the healthseekers
are not to be used, merely the number
of them and the causes bringing
them here being desired.

The census will be made through
the Albuquerque newspapers, which
will co-operate with the committee
by printing for several days a blank
which every healthseeker or former
healthseeker is asked to fill in and
return immediately to the Knights
of Columbus committee.

The matter of the sanitarium location
will be settled at Winnipeg in August
and the committee proposes
to have no stone turned until
it is in this city. The census will have
value in this campaign and also will
have permanent value as advertising
material.

Want Pythians Especially.
The Pythian committee, of which
W. W. Bowers is the head, is desirous
of getting the names and addresses
of all Pythians in Albuquerque and surrounding country who
came to New Mexico for their health
and to that end the blank published
in the Herald today refers only to
Pythians and every member of the
fraternity is especially urged to cut
it in and return to Mr. Bowers as
directed.

Mr. Bowers has been indefatigable
in his work for the sanitarium and
has received the most hearty en-
couragement from all over the United
States, especially from the medical
and examining officers of the order.
He is convinced that if a united
effort be put forth now Albuquerque
will win the institution. The co-
operation of everyone, and especially
every Pythian, is urged. The blank
printed for the first time in the Her-
ald today, will be published each day
for a week, and will be followed by
state that at least Phoenix and Prescott
are still considered as rivals of
this city.

Such men as Dr. A. G. Shorb, one
of the members of the Commercial
club committee, who are thoroughly
familiar with the subject, feel that
there is no real opposition to the
Phoenix and Prescott and Albuquerque
as a destination for tuberculosis
patients, of that unbiased investigation
more incontrovertibly establishes that fact, but the shorts and the other
members of the committee have no
such feeling with regard to the
Moose institution. As far as they
know, there must still be done to
ensure the location of the institution
here, and they will keep up their
efforts with unremitting vigor.

**CONVOCATION WILL
END PROGRAM
TONIGHT**

**Missionary Service to Bring
Meeting of Episcopal Clergy
and Laymen to Conclusion.
Reception to Delegates.**

The annual convocation of the
Protestant Episcopal church in New
Mexico and Texas west of the Pecos
river, which opened yesterday at St.
John's church, will come to a close
this evening with a missionary service.

The service will begin at 7:45
o'clock. Chaplain Lloyd of the United
States army will be one of the
speakers. The others will be Rev.
Henry Easter of St. Clement's
church, El Paso, and Rev. L. W.
Smith, of Santa Fe. The service will
be open to the public, who are cordially
invited to attend.

The delegates attended an early
celebration of the Holy Eucharist at
St. John's this morning and at 9:30
o'clock there was morning prayer.
Two regular sessions were held, at 10
and at 1:30.

At 4:30 this afternoon a joint session
of the convocation and the
senior and junior auxiliaries to the
mission board opened.

Sunday school work received early
consideration at a special session
yesterday afternoon. Rev. Jesse
Moore, of Las Vegas, spoke on the
missionary side of the school curriculum.

Archdeacon Warren spoke on
graded courses of instruction.
Rev. Leonidas Smith, of Santa Fe,
spoke on "Important Things an
Person for the Sunday School."

The delegates were given a reception
at the Women's club last night.
Mrs. Frederick Winn sang unaccompanied
by Mrs. Marceline Stevens Hinman.
Mrs. George Everett played the piano.
Delicious refreshments were served.

We Take the Risk

We know you will be delighted
with the O-Cedar Polish Mop.
We know you will welcome
the relief it brings!

We know you will appreciate
the hard work it saves.

We know you will be pleased
with the way it dusts, cleans and
polishes—It at the same time.

That is why we say:—

Try the O-Cedar Polish Mop for 2
days at our risk. If it is not satisfactory,
we do not want you to keep it.

The price—\$1.50—will be returned
without question if it is not, and more,
then we claim. You to be the judge.

WILL MAKE CENSUS OF HEALTHSEEKERS IN ALBUQUERQUE

Knights of Pythias Sanitarium Committee Want to Know Number for Use in Campaign for Big Institution.

WILL BE VALUABLE FOR FUTURE ADVERTISING

The officers and members of the Knights of Pythias, actively engaged in the national campaign to locate the sanitarium for tuberculosis of the fraternal order in the city, propose to make a census of health seekers in Albuquerque, believing that the number of those here for health, or who came originally for that purpose, will have a most important influence in presenting the claims of the city.

It is desired to know not only those now seeking the benefits of Albuquerque's climate but those who came here originally for that purpose, and for the benefit of relatives. Names of the healthseekers are not to be used, merely the number of them and the causes bringing them here being desired.

The census will be made through the Albuquerque newspapers, which will co-operate with the committee by printing for several days a blank which every healthseeker or former healthseeker is asked to fill in and return immediately to the Knights of Columbus committee.

The matter of the sanitarium location will be settled at Winnipeg in August and the committee proposes to have no stone turned until it is in this city. The census will have value in this campaign and also will have permanent value as advertising material.

EXERCISES OF THE EIGHTH GRADE TOMORROW

Large Class of Young People
Will Pass Into the High
School With Graduation
Program.

CLASS DAY AT CENTRAL SCHOOL HOUSE TONIGHT

Albuquerque public school closing
exercises come thick and fast from
this afternoon until Friday night
when the high school graduating
class of 33 will receive their diplomas
in Elks' theater.

This afternoon an interesting ex-
hibit of the work of the manual
training and domestic science departments
of the eighth grade is being made
in the central school. The exhibit
is from 3 to 4 o'clock and a large
number of parents are inspecting
the display which makes a first-class
showing.

Tonight at 8 o'clock are the class
day exercises, the program of which
was given in yesterday's Herald,
and tomorrow night will be the gradu-
ating exercises of the eighth grade.
These exercises will be held in Elks'
theater and the gowns of the girls
graduates, made by themselves, and
which have caused so much favorable
comment, will be seen.

The eighth grade program follows:
Fairland Waltz—Chorus.
The Boys—Boys' Chorus.
Alta—Violins.
Clang of the Forge—Chorus.
Voices of the Western Winds—
Girls' Chorus.
Violin Solo—Ralph Miller.
Vocal Gavotte—Glee Club.
The Dawn of Day—Chorus.
Talk—Roade—George Doolittle and
Albert Newcomer.
Estudiantina—Violins.
Home of Freedom—Chorus.
Presentation of Diplomas—M. E.
Hicks.

The Graduating Class.
Those who will receive their dip-
lomas tomorrow night are as follows:
Helen Alderman, Augusta Armijo,
Harriet Beckwith, Eleanor Cameron,
Hazel Carnes, Florence Colwell,
Norma Davidson, George Dow-
little, Esther Dye, Esther Farmer,
Conrad Fugitt, Kenneth Gass, Eva
Griffith, Ernest Gerhart, Belva Had-
lock, Lillian Hammond, May Her-
ring, William Horner, William Lang,
Winifred Maples, Dorothy McAllister,
Leseme McAllister, Harold Mc-
Cannan, Julia McElroy, Leona Mc-
Donald, Paul McIn, Edna Morris,
Ralph Miller, Irene Miller, Eugene
Montgomery, Frank Neher, Albert
Newcomer, Florence Olson, John
Oliphant, Mary Ogden, Ralph Pas-
ton, Freda Pearson, Samuel Rosen-
bach, William Ryan, Elizabeth
Schueber, Maud Scott, Marjorie Shet-
ley, Pauline Silva, Marjorie Stearn,
William Stewart, Grace Stinson, Mar-
garet Stripe, Elizabeth Strong, Lydia
Teutsch, Mildred Tharp, Esther
Timms, Charlotte Westerfield, Mary
White, Ellen Whiteside, Clyda Wil-
son.

The commencement program for
Friday night in Elks' theater follows:
Triumphal March from Alida—Verdi
High School Orchestra.
Invocation—Rev. A. Tonthauer
Summer Fancies—Ingraham
High School Glee Club.
Address: The Emotional Life—
C. E. Hodges
Dean of the University of New Mexico,
Operatic Medley—Berry
High School Orchestra.
Presentation of Diplomas—
O. N. Marion
Member Board of Education.

ROAD BOOSTERS TO BE FILMED AT ANNUAL MEET

Delegates to State Convention
Soon to Be Held at Capital
Will Have Their Pictures
Shown at San Diego.

Roads boosters from all over the state
will have their pictures made at
during, before, and on their way to
the big state convention which is to be
held in Santa Fe. This is the statement
of A. E. Kochler, Jr., commissioner
of publicity for the state exposition
board, speaking on behalf of Col.
R. E. Twichell, president of the
exposition board and the state Roads
association.

The convention, which is to be held
in Santa Fe is the annual meeting of the
New Mexico branch of the National
Highways association, as well as
that of the state good roads organization.
The two have become affiliated
several months ago through action of
the executive committee of the local
body. It will thus be quite the largest
roads gathering of any sort ever
held in the state, even surpassing the
Ocean-to-Ocean convention which was
held in Santa Fe two years ago. Because
it will thus be a large gathering,
such as will be a credit to the state
in personnel and size, the exposition
board has seen fit to authorize the
taking of an extensive motion picture
film of it.

"Plans are more or less tentative
at this time, of course," said Mr.
Kochler this morning, "but as matters
stand we expect the majority of the
boosters, those from eastern, southern
and western New Mexico to meet here
in Albuquerque and make the trip to
Santa Fe together. Most of them will
go in automobiles, many of them driving
their own cars or going with others
who will drive. From this city we
will go to Santa Fe in a body."

in Albuquerque and make the trip to
Santa Fe together. Most of them will
go in automobiles, many of them driving
their own cars or going with others
who will drive. From this city we
will go to Santa Fe in a body."

"Arrangements have been made,"
Mr. Kochler continued, "to have the
delegates to the convention visit the
different points of interest near Santa
Fe in autorilles. Pictures will then
be taken of them at these points, and it
is expected that the showing of a film
of a large number of automobiles and
several hundred delegates at such
places as the cliff dwellings, for instance,
will do much to show the enter-
tainers and the other visitors in
automobiles that people can and do go
in automobiles to view these scenic
attractions. This should bring many
touring parties to the state, people bent
not so much on getting from Raton across
the state to Springfield as on seeing the country
and learning what it offers the traveler."

the state to Springfield as on seeing the country
and learning what it offers the traveler."

"The cameraman will be on the job to set the different
parties as they arrive to film them
as the entire body parades through
the streets and to accompany them on
the way to Santa Fe. On the way
every spectacular event, every brilliant
piece of road engineering, every extra-
ordinary bit of road, will be photographed
from the back of the official cameras.
The films will thus show not only
the splendid route from here to the
capital but the big string of cars
traversing it. And everybody knows
that a road in use is twice as full of
"punch" as a road which is just a
road and nothing more."
